

Mister Danger

Marmozets

Mister Danger, you're just a stranger
You're welcome if you want to be
But I will warn you, said I will warn you
You've never been here
Never been here before
Oh woah, oh woah, oh no
Oh woah, oh woah, oh

It's a messy town in a messy place
The feeling's great but you can't escape
Even just for one second
Even just for one second
It's your life

It's a messy town in a messy place
The feeling's great but you can't escape
Even just for one second
Even just for one second
It's your life

Mister Danger, it's not our major
The risk is higher than you thought
But I will warn you, said I will warn you
You've never been here
Never been here before
Oh woah, oh woah, oh no
Oh woah, oh woah, oh

It's a messy town in a messy place
The feeling's great but you can't escape
Even just for one second
Even just for one second
It's your life

It's a messy town in a messy place
The feeling's great but you can't escape
Even just for one second
Even just for one second
It's your life

I say "never", you say "now"
I say "never", you say "now"
I say "never", you say "now"
I say "never", you say "now"
I say "never", you say "now"

It's a messy town in a messy place
The feeling's great but you can't escape
Even just for one second
Even just for one second
It's your life

It's a messy town in a messy place
The feeling's great but you can't escape
Even just for one second
Even just for one second
It's your life

It's your life!
It's your life!

Hey, hey!

Oh!
