

Harder To Breathe

Maroon 5

G5 A5

E5

1. How dare you say that my behavior is unacceptable
So condescending unnecessary critical
I have the tendency of getting very physical
So watch your step cause if I do you'll need a miracle
2. You drain me dry and make me wonder why I'm even here
This double vision I was seeing is finally clear
You want to stay but you know very well I want you gone
Not fit to funk' tread the ground that I'm walking on

You'll understand what I mean when I say

There's no way we're gonna give up

And like a little girl cries in the face of a

monster that lives in her dreams

Gm

Is there anyone out there cause it's getting harder and harder to breathe

Is there anyone out there cause it's getting harder and harder to breathe

3. What you are doing is screwing things up inside my head
You should know better you never listened to a word I said
Clutching your pillow and writhing in a naked sweat
Hoping somebody someday will do you like I did

R: When it gets cold outside...

Dm

*: Does it kill? Does it burn?

Em

Is it painful to learn

Dm

That it's me that has all the control

Dm

Does it thrill? Does it sting?

Em

When you feel what I bring

Dm

And you wish that you had me to hold
