(reach) The Sun

Endless insanity Recreation of symmetry Like two stars we make a whole Discipline and fantasy Strength and unity Of mind body and soul

TO REACH A HIGHER GOAL TO CREATE THE PERFECT SOUL REACH THE SUN WE WANT THE SUN

Towards the burning sky Arms open wide With honour and pride With honour and pride The search for ourselves In an ocean of others We have to reach the sun Anarchy of individuality Chaos and sympathy We have to catch the sun

TO REACH A HIGHER GOAL TO CREATE THE PERFECT SOUL REACH THE SUN WE WANT THE SUN

Towards the burning sky Arms open wide With honour and pride Reach the sun We want the sun

TO REACH A HIGHER GOAL TO CREATE THE PERFECT SOUL REACH THE SUN WE WANT THE SUN WE WANT THE SUN! Maroon
