

Steelbath Your Heart

Maroon

Go fuck the world you are living in
Open your eyes this is the real hell
There is just your freedom-killing
You stay a slave dead and gone
When will you start to think about this shit

STAND UP STRONG - START TO ACT
THIS IS YOUR WORLD - YOUR LIFE

Thinking about your world
Protect your mind steelbath your heart
Nobody gives a fuck

STAND UP STRONG - START TO ACT
THIS IS YOUR WORLD - YOUR LIFE

Open your eyes this is hell
You stay a slave dead and gone
When will you start to think about this shit

STAND UP STRONG - START TO ACT
THIS IS YOUR WORLD - YOUR LIFE
STAND UP START TO FOLLOW YOUR PATH
STAND UP START TO FOLLOW YOUR PATH
FOLLOW YOUR PATH!
