

# Una pregunta

Marquess

Is it me, who you see  
Of the one, who want me to be  
Say my name, hear your voice  
And tell how it feels  
Is it me, who you see, when you setting of the scene  
Say my name, not to loud  
And think about your choice  
Maybe it's not me, who you mean  
When you say, that you love me  
And it's not me, who you need  
When you say you cannot leave

Tengo una pregunta  
Que es mi para ti?  
Sólo una pregunta  
Tengo una pregunta  
Que es mi para ti?  
Sólo una pregunta

Is it deep or is it clean  
The reason you want me  
Open your heart, cos this is your voice  
And tell me what you feel  
Is it real, or is it me  
When you say this is the answer  
That's your choice, i cannot hear  
That you really matter  
Maybe it's not me, who you mean  
When you say, that you love me  
And it's not me, who you need  
When you say you cannot leave
