## **I Am Sorry**

## **Martha Wainwright**

I am sorry I yelled at you 'Bout the baby's clothes 'Bout the car on fire About love

The seven year itch
Is quite a bitch it's true
But believe me, I don't lie
I love you

And we can make it

If you don't break it

It's up to you

When the fire gets cold, It's really cold And to believe in you Really believe in you It's hard to do

I am sorry I yelled at you 'Bout the baby's clothes 'Bout the car on fire About love

And we can make it If you don't break it It's up to you

The seven year itch
Is quite a bitch it's true
But believe me, I don't lie
I love you

I am sorry I yelled at you
