

Sunshine

Martina Balogová

Hello, world, how do you do?
I just came to share my point of view.
People talkin' 'bout life today.
The more things change,
the more they stay the same.

R.: But the sun shines every day, even when it rains.
Sun shines, sun shines every day.
Sun shines every day, even when it rains.
Sun shines, sun shines every day.

Now I've been thinkin', and through travels seen.
Where you are is what you'll be.
I'm not worried, my soul is free.
Heaven and earth are the same to me.

'Cause the sunshine's so divine.
We need water to make the wine.
Lovin' is a trip for the mind
If you can't see it, that don't make you blind, 'cause you know
.

R.: But the sun shines every day, even when it rains.
Sun shines, sun shines every day.
Sun shines every day, even when it rains.
Sun shines, sun shines every day
