

# Ashes

Martina McBride

Ashes  
He's nothing but ashes  
No feelings have lasted  
No love remains

Ashes  
That's all that our past is  
He's nothing but ashes  
From a cold old flame

I saw your face when  
He waltzed in here  
But those old embers  
Haven't burned for years

The light that's shining  
In my eyes  
Is for the one that  
I'm with tonight

Ashes  
He's nothing but ashes  
No feelings have lasted  
No love remains

Ashes  
That's all that our past is  
He's nothing but ashes  
From a cold old flame

No I don't blame you  
For having some doubts  
But when he left me  
That fire burned out

So don't be thinking  
There's still a spark  
'Cause he could never  
Tear us apart

Oh ashes  
He's nothing but ashes  
No feelings have lasted  
No love remains

Ashes  
That's all that our past is  
He's nothing but ashes  
From a cold old flame  
He's nothing but ashes  
From a cold old flame
