

# Soul Food

Martina Topley-Bird

I wanna tell you that I've come to feel  
I wanna show you how our love is real  
Leave your jacket on the floor  
I'm coming around for more  
Leave your heat in the bed  
I wanna be there by your head  
Long as you wanna stay, baby, baby  
All you got to say  
Nobody's coming around today  
I'm gonna show you  
Show you where the good times start, baby  
I wanna show you  
I wanna show you where the feeling sparks  
Well I'm gonna let you  
Take all the time you need  
'Cause when the soul starts fallin', baby  
We got time to leave  
We get trigger happy  
Got the feeling all day and night  
We get everybody  
To sing along little summer night, baby  
You get everything I got  
And I know you're feeling fine  
The sweet, sweet feeling you give to me baby  
I wanna have a good time  
In the morning  
We're all singing  
We're all free, yeah  
I'm gonna show you  
(Show you)  
Show you where the good times start, baby  
I wanna show you  
(Show you)  
I wanna show you where the feeling sparks  
I'm gonna let you  
(Let you)  
Take all the time you need  
'Cause when the soul starts fallin', baby  
We got time to leave  
(We got time to leave)  
Ever since I was young  
I wanted, I wanted to know  
Ever since you came along  
Feeling so much stronger  
Every way that you show  
Feelings open to love  
I'm gonna show you  
(Show you)  
Show you where the good times start, baby  
I wanna show you  
(Show you)  
I wanna show you where the feeling sparks  
Well I'm gonna let you  
(Let you)  
Take all the time you need  
Take all the time you need  
Take all the time you need

Take all the time you need, all the time you need  
(Take all the time you need)  
Take all the time you need  
(Take all the time you need)  
Take all the time you need  
(Take all the time you need)  
Take all the time you need  
(Take all the time you need)  
Everyway and everyday  
You come by and you save me  
I want you near, I need you dear
