Oh baby please turn yourself around
Oh baby so I can love you good
Oh baby I'll make you feel so good
Oh sugar just like you want me to
Oh baby you sure love to ball
Oh baby you sure love to ball
Oh honey I hope you never freeze
I love you I love you so much
Oh baby baby don't ever go away
Stay with me baby, I'll love you night and day
Oh baby you sure love to ball
Oh honey you sure love to ball
Oh now I just love you that's all
I've got my mind made up baby
Oh there's no doubts oh baby
That you're my foxy lady
Oh baby you sure love to ball
Oh sugar you sure love to ball
All, all I know now baby
Hey baby is love you some more
Oh come on in and let me love you
Oh baby come for more
Oh baby you sure love to ball
Oh baby you sure love to ball
Pretty little sexy baby you sure love to ball
Pretty little sexy mama you sure love to ball
Pretty little sexy baby you sure love to ball
Pretty little sexy mama you sure love to ball
Pretty little sexy baby you sure love to ball
Pretty little sexy mama you sure love to ball
All I know, I know if we had to ever part
Ahh that one day would surely break my heart
Got to get ready, got to get ready
Oh baby you sure love to ball
Oh baby you sure love to ball
Pretty little sexy baby you sure love to ball
Pretty little sexy mama you sure love to ball
Pretty little sexy baby you sure love to ball
Pretty little sexy mama you sure love to ball
Pretty little sexy baby you sure love to ball
Pretty little sexy mama you sure love to ball
Pretty little sexy baby you sure love to ball
You sure love to ball
Pretty little sexy baby you sure love to ball
