

## Love No Limit

Mary J. Blige

Baby, there's no need to tell ya'  
As far as I can clearly recall  
My love has been here for you  
So you don't have to worry at all  
I'll sacrifice my time  
I'll make sure you're satisfied  
And it's no hard thing to the joy I bring  
I wanna give you all my love

Loving you every day  
Don't you look no more  
Love without a limit  
Loving you every day  
Don't you look no more  
Love without a limit

Baby, I'm in need of your love  
And you got that touch  
That I need so much  
And I am about to explode  
Freely, completely, everything you want I'll be  
Good love down to the last drop  
And I'm not gonna stop

Loving you every day  
Don't you look no more  
Love without a limit  
Loving you every day  
Don't you look no more  
Love without a limit

Loving you is all I wanna do  
Loving you is all I wanna do  
Loving you, said loving you  
Is all that I, all that I wanna do  
Baby, baby, baby, heeeeey

I'm loving you everyday  
Loving you everyday every hour baby  
Don't look no more, don't look no more  
Loving you everyday  
Loving you babe everyday
