

# No One Else

Mary J. Blige

Many have called but the chosen are few  
The best of the few is you  
You know exactly what to do

Baby, your time is so perfect  
Why in the hell I deserve it  
Keep on doin' what you do

No one else  
No one else  
Can do me like you do me

No one else  
No, no one else  
Can do me like you do me

Happy 1 plus happy 1 is 2  
Happy 2 is me and you  
Our love was meant to be

Yes, we have our up's and down's  
But some how we came around  
And we made each other love so free

Can't lie  
Now I'm satisfied  
Yes I'm satisfied  
Even when I cry

Won't stray  
Stray away from you  
I would be a fool  
You know these words are true

No one else  
No one else  
Can do me like you do me

Can't lie  
Now I'm satisfied  
Yes I'm satisfied  
Even when I cry

No one else  
No one else  
Can do me like you do me
