

# Strength of a Woman

Mary J. Blige

I'm a woman, hear me out  
Never claiming to be something I'm not  
Don't want what's yours, just want what's mine  
Not tryna take over, I just want my spots

How can life go on without me here?  
It's impossible, oh, oh  
All the pain endured to give life  
And we keep giving and giving and giving and that's the

Strength of a woman  
Is the, I'll be the rock when you needed the pill for your sleep  
I am woman, you know  
And I shouldn't have to prove it 'cause it's just what I do  
I am woman

Not saying move over, I'm just here to help  
That's what God made me for, you ain't gotta build by yourself  
You got your pride, don't let it make you blind  
Don't need to be walking behind, you're better with me by your side

How can life go on without me here?  
It's impossible, oh, oh  
All the pain endured to give life  
And we keep giving and giving and giving and that's the

Strength of a woman  
Is the, I'll be the rock when you needed the pill for your sleep  
I am woman, you know  
And I shouldn't have to prove it 'cause it's just what I do  
I am woman

Strength of a woman  
Is the, I'll be the rock when you needed the pill for your sleep  
I am woman, you know  
And I shouldn't have to prove it 'cause it's just what I do  
I am woman

We're the wisdom like a guiding light  
We're the trees left standing through the storms of life  
We've come so high and we've come so far  
Can't hold us back

Strength of a woman  
Is the, I'll be the rock when you needed the pill for your sleep  
I am woman, you know  
And I shouldn't have to prove it 'cause it's just what I do  
I am woman

Strength of a woman  
Is the, I'll be the rock when you needed the pill for your sleep  
I am woman, you know  
And I shouldn't have to prove it 'cause it's just what I do  
I am woman
