

# Believer

Mary Mary

I'm a believer, tellin' you I really believe  
I'm a believer, even though I've never seen  
I'm a believer, look at my life and you will see  
I'm a believer, how can you not believe?

I'm a believer, every word he says to me  
I'm a believer, 'cause He gave me my liberty  
I'm a believer, now and forever I will be  
I'm a believer, how can you not believe?

We got home late one night from service  
Something wasn't right, Momma was nervous  
She said we're staying at your auntie's house tonight  
'Cause something in my spirit ain't right

Just as soon as we all went to sleep  
Momma got a call from the police  
Saying, "Your house is on fire"  
We were sad but alive, God spared our lives

I'm a believer, tellin' you I really believe  
I'm a believer, even though I've never seen  
I'm a believer, look at my life and you will see  
I'm a believer, how can you not believe?

I'm a believer, every word he says to me  
I'm a believer, 'cause He gave me my liberty  
I'm a believer, now and forever I will be  
I'm a believer, how can you not believe?

On the highway, minding my business  
Another car was tryna get by  
So I put my foot on the brakes  
And my car flipped upside down

I cried, "Lord, have mercy on me  
Take the car but save my life"  
I walked away, no scars, no pain  
Nothing broken, now I can testify

I'm a believer, tellin' you I really believe  
I'm a believer, even though I've never seen  
I'm a believer, look at my life and you will see  
I'm a believer, how can you not believe?

I'm a believer, every word he says to me  
I'm a believer, 'cause He gave me my liberty  
I'm a believer, now and forever I will be  
I'm a believer, how can you not believe?

Somebody, somewhere out there is watching us  
And taking care of every little thing we need  
And some people still don't believe

But I have seen too many things  
Tell me what will make you see  
That He's able to be all you need and more

So tell me what it is you're waiting for

I'm a believer, tellin' you I really believe  
I'm a believer, even though I've never seen  
I'm a believer, look at my life and you will see  
I'm a believer, how can you not believe?

I'm a believer, every word he says to me  
I'm a believer, 'cause He gave me my liberty  
I'm a believer, now and forever I will be  
I'm a believer, how can you not believe?

I'm a believer, tellin' you I really believe  
I'm a believer, even though I've never seen  
I'm a believer, look at my life and you will see  
I'm a believer, how can you not believe?

I'm a believer, every word he says to me  
I'm a believer, 'cause He gave me my liberty  
I'm a believer, now and forever I will be  
I'm a believer, how can you not believe?
