

Hold On

Mary Mary

Hold on to your faith
No matter what you been through
I know he'll make a way
If you just hang on
Just a little longer
Come on hold, hold, hold on
To your faith

I know that you have asked yourself
Will things ever change
And just the other day I asked the
Same thing
And the answer is plain
For you and me to see
That all we gotta do is hold on

Sometimes, sometimes I know you
Just feel like running from
All of the problems
They keep coming but I know
You won't break under pressure 'cause
You know that God is with ya
If you feel me let me hear ya hold on

Keep on, keep on don't ever stop
It may get hard don't give up now
You've come too far to turn around
You're gonna make it some way
Somehow just
