Two Wrongs Don't Make A Right

Mary Wells

I took your love and said, "Goodbye" Stayed away, my darling and made you cry If you turn me away, yeah yeah, all I can say Is that two wrongs don't make a right

I broke your heart, you know it's true Now I'm back begging you Not to turn me away 'cause all I can say Is that two wrongs don't make a right

Now is your chance to do me wrong And to tell me that this is the end Now, my darling, if you can forgive until the longest day I liv e I'll never make that same mistake again

I took your love and said goodbye I stayed away, my darling and made you cry 'Cause if you turn me away baby, yeah yeah, all I can say Is that two wrongs don't make a right

Please don't turn me away baby, 'cause all I can say Is that two wrongs don't make a right You know if you turn, you just turn me away, all I can say Is that two wrongs don't make a right
