

Memphis, Tennessee

Mason Jennings

I was born in a gold mine
You were born by the sea
Without nothin' we got somethin' in
Memphis Tennessee, girl
Memphis Tennessee

Rain outside my window
Rain inside my head
The loneliness inside my heart
Emptiness in my bed, girl
Emptiness in my bed

You've got the love
That I need
That I'm dreamin' of

I was born to love you
You were born to resist
I would give everything I've got
To live inside your kiss, girl
To live inside your kiss

You've got the love
That I need
That I'm dreamin' of

I was born in a gold mine
you were born by the sea
without nothin' we got nothin' in
Memphis Tennessee, girl
Memphis Tennessee
Memphis Tennessee, girl
Memphis Tennessee
