

So Good

Mason Jennings

It's so good to wake up in the morning
And want to throw your arms around the world
I was in the dark 'til I saw you darlin'
'Til I first laid eyes on the only girl

Now your light is shinin' on
Now your light is shinin' on
Oh, you've been so good to me
So good to me

It's so good to wake up in the morning
And want to share your love with everyone
In every heart there's a fire burnin'
Honey, I thought mine was the only one

Now your light is shinin' on
Now your light is shinin' on
Oh, you've been so good to me
So good to me
So good to me
So good to me
So good to me
Yeah

It's so good to wake up in the morning
And see you smiling back at me
So much beauty's been right here waiting
I was too wrapped up in myself to see

Now your light is shinin' on
Now your light is shinin' on
Oh, you've been so good to me
So good to me
So good to me
So good to me
So good to me
Yeah

It's so good to wake up in the morning
And want to throw your arms around the world
I was in the dark 'til I saw you darlin'
'Til I first laid eyes on the only girl

Now your light is shinin' on
Now your light is shinin' on
Now your light is shinin' on
Now your light is shinin' on
Now your light is shinin' on
Now your light is shinin' on
Oh, you've been so good to me
So good to me
So good to me
So good to me
So good to me
Yeah
