

# Dial My Number

Master Blaster

You're a pretender  
Impossible mission to keep in touch  
Hard to remember  
Moments together, a-ha

My love is tender  
Even if you're far away tonight  
Why not surrender  
Passion is burning

I'm loving you on the telephone  
Ooh-ooh-ooh-ooh-ooh-ooh, dial my number  
Communication is set tonight

Please operator, don't drop the line  
Ooh-ooh-ooh-ooh-ooh-ooh, dial my number  
Future connection is right on time

Maybe tomorrow  
We'll have a synchronized rendez-vous  
Darling I want you  
Over and over, a-ha

My love is tender  
Even if you're far away tonight  
Why not surrender  
Passion is burning

I'm loving you on the telephone  
Ooh-ooh-ooh-ooh-ooh-ooh, dial my number  
Communication is set tonight  
Ooh-ooh-ooh-ooh-ooh-ooh, dial my number

I'm loving you on the telephone  
Ooh-ooh-ooh-ooh-ooh-ooh, dial my number  
Communication is set tonight  
Ooh-ooh-ooh-ooh-ooh-ooh, dial my number

I'm loving you on the telephone
