

Sunshine

Matisyahu

Keep on moving to the first rays of dawn
Keepin it on till the day stays strong
Keepin till the night time blazes on
All along I keep singing my song
I said, this phase is always
Sometimes I get so crazed
But just know that I'll always stay
'Cause you're my life through the haze

It's time for a champion
Soothe the soul of the land
Mend the heart from the sea and the sand
'til the sun comes up again

It's time for a champion
Soothe the soul of the land
Mend the heart from the sea and the sand
'til the sun comes up again

Reach for the sky
Keep your eye on the prize
Forever in my mind
Be my golden sunshine
It's raining in your mind
So push them clouds aside
Forever by my side
You're my golden sunshine

Sunset I let myself down
FoundÁHHK the ground beneath my feet gone
No more words were there to speak
On that day my song was born
Never meant to leave you all alone
Said I'd be your shelter from the storm
Now your clothes have all been torn
Kingdom sacked attacked and dethroned

It's time for a champion
Soothe the soul of the land
Mend the heart from the sea and the sand
'til the sun comes up again

It's time for a champion
Soothe the soul of the land
Mend the heart from the sea and the sand
'til the sun comes up again

Reach for the sky
Keep your eye on the prize
Forever in my mind
Be my golden sunshine
It's raining in your mind
So push them clouds aside
Forever by my side
You're my golden sun

It's the way of the world

You're on your own
Time to grow and be a man
Want to fly high like Peter Pan
No more Never Never Land
So lose your backpack filled with sand
Come along and take my hand
We'll walk together, walk forever

Reach for the sky
Keep your eye on the prize
Forever in my mind
Be my golden sunshine
It's raining in your mind
So push them clouds aside
Forever by my side
Your my golden sunshine

Reach for the sky
Keep your eye on the prize
Forever in my mind
Be my golden sunshine
It's raining in your mind
So push them clouds aside
Forever by my side
You're my golden sunshine
