

# I'm Not Letting Go Yet

Matt Cardle

Don't tell me to let go  
Don't tell me to lay low  
Don't tell me it's over

'Cause  
I'm not letting go  
I'm not letting go yet

Just being honest  
We're better when we're on it  
So was the tonic  
But never further from it

So take the wheel  
'Cause I'll be on the bonnet  
And  
I'm not letting go  
I'm not letting go yet

Sometimes I want to keep from going under  
When all I be is  
I got your love  
But in truth I need a mother  
'Cause  
I'm not letting go  
I'm not letting go, no

Don't tell me to let go  
Don't tell me to lay low  
Don't tell me it's over

'Cause  
I'm not letting go  
I'm not letting go yet

I lean on cause I feel you make me stronger  
I love your high  
But your low goes on for longer  
No I'm not ready to face my life without you  
There's nothing you can say  
Because everybody doubts you

But  
We're alright  
I promise you  
We're alright  
I'm promising you  
We're alright  
Alright

Don't tell me to let go  
Don't tell me to lay low  
Don't tell me it's over

'Cause  
I'm not letting go  
I'm not letting go yet

Don't tell me to let go  
Don't tell me to lay low  
Don't tell me it's over

'Cause  
I'm not letting go  
I'm not letting go yet

Don't tell me to stop now  
Don't tell me to slow down  
Don't make it a show down

'Cause  
I'm not letting go  
I'm not letting go yet

Don't tell me to stop now  
Don't tell me to slow down  
Don't make it a show down

'Cause  
I'm not letting go  
I'm not letting go yet
