## **Loving You**

## **Matt Cardle**

Leave your door open I wanna come over The night Is only young

I wanna get under Your body Take you over Come undone

But why do we only give it up Give it up in the dark Cause I can't help thinking it's not enough It's not enough for this heart

Who do you think about when I'm not with you? Does somebody hold you when you let me go? You can't hide, you can't lie Cos baby I'm loving, loving, loving you

I could tell myself that I don't need you I could try to run away from the truth I can't hide, I can't lie Cos baby I'm loving, loving, loving you

My door is open Come on over The night Is still young

I wanna get over Your body Take you under Come undone

But why do we only give it up Give it up in the dark And I can't help thinking it's not enough It's not enough for this heart

Who do you think about when I'm not with you? Does somebody hold you when you let me go? You can't hide, you can't lie Cos baby I'm loving, loving, loving you

I could tell myself that I don't need you I could try to run away from the truth I can't hide, I can't lie Cos baby I'm loving, loving, loving you

Would it change if I asked you to stay If I pulled would it push you away But it's just the chance I'll take Cause I want your loving

Who do you think about when I'm not with you? Does somebody hold you when you let me go? You can't hide, you can't lie Cos baby I'm loving, loving, loving you

I could tell myself that I don't need you I could try to run away from the truth I can't hide, I can't lie Cos baby I'm loving, loving, loving you Baby I'm loving, loving, loving you Baby I'm loving, loving, loving you
