

# Not Over You

Matt Cardle

I'm here in your shadow  
Broken on the floor  
It will never be  
The way it was before  
I think you feel it, too  
I'm not over you

When I look in the mirror  
It's difficult to believe  
That the man in the mirror  
Staring back at me  
Is blinded by the truth  
I'm not over you

I'm not over you  
I'm not over you  
I tried to fight it  
But I know there's just no use  
I'm not over you

If you need somebody  
While you're playing solitaire  
Just let me be that body  
Even though you're in repair  
I think you feel it, too  
I'm not over you

I'm not over you  
No, I'm not over you  
I tried to fight it  
But I know there's just no use  
I'm not over you

I should have been the one  
To make you happy  
But I didn't pass the test  
Just like all the rest

And every time I cry  
I hear you laughing  
Though I wish you all the best  
It doesn't hurt any less

I'm missing you

I'm not over you  
No, I'm not over you  
No, I'm not over you  
I'm not over you

And you feel it
