

Sharon

Matt Costa

She's going out tonight
She heard aquarium friends
Among some buffoons in the [?]
She's strung out again

She knows not what she does
She knows not what she feels
She don't know if she's living or dying
Her pockets full of pills

She's colder than the coast to Maine (Sharon)
On a snowy winter's day (Sharon)
She'll cut you like she cut me (Sharon)
And send you raging on the sea (Sharon)

Sharon, Sharon, Sharon
Sharon, Sharon
Sharon, Sharon, Sharon
Sharon, Sharon

You know I see you make arrangements
With all the lawyers that they bought
I know you're going through some changes
Oh I know you're going through those changes
Yeah I know you're going through those changes
Go, go, go, and still your daddy pays your rent

She knows not what she does
She knows not how she feels
She don't know if she's living or dying
Her pockets full of pills

She's colder than the coast to Maine (Sharon)
On a snowy winter's day (Sharon)
She'll cut you like she cut me (Sharon)
And send you raging on the sea (Sharon)

Sharon, Sharon, Sharon
Sharon, Sharon
Sharon, Sharon, Sharon
Sharon, Sharon
Sharon, Sharon, Sharon
Sharon, Sharon
Sharon, Sharon, Sharon
