Shout Of The King

Matt Maher

You're not like man that You should lie You do not falter or change Your mind All that You say is what You do All that You've promised You're seeing through

So we wait on You, Lord And we rise to Your voice

The shout of the King, the son of God Your presence now here with us The sound of praise all in a name Jesus Christ, the one who saves All you people rise to the shout of the King

There is no power, no scheme of man That separates us from Your hand We will not move far from Your gaze Here in Your presence we will remain

So we stand on Your word And we run to Your voice

The shout of the King, the son of God Your presence now here with us The sound of praise all in a name Jesus Christ, the one who saves

The shout of the King, the son of God Your presence now here with us The sound of praise all in a name Jesus Christ, the one who saves

It's the sound that breaks down strongholds
It's the sound that makes a sinner whole
It's the sound of freedom falling on the earth
The sound of victory

The shout of the King, the son of God Your presence now here with us The sound of praise all in a name Jesus Christ, the one who saves

The shout of the King, the son of God Your presence now here with us The sound of praise all in a name Jesus Christ, the one who saves All you people rise, all you people rise To the shout of the King, to the shout of the King
