

She's so, you know  
Makes me want to be like Jesus  
I am your hands  
Tell me what your plan for this is

In your sacred heart, I burn for you  
Could I burn with her in a flame of truth  
Where all my burdens float like an angel feather?

Sophia, you know me  
Sophia, you see through me  
Sophia, dance with me  
Help me make it through the night

Dark night, so bright  
Now I see the way of passion  
Let go, my soul  
Now it only longs for your affection

In your sacred heart, I dwell with you  
Could I dwell with her like the angels do  
Where all my burdens float like an angel feather

Sophia, you know me  
Sophia, you see through me  
Sophia, dance with me  
Help me make it through the night

Help me make it through the night  
Help me make it through the night

Sophia, Sophia  
Sophia, Sophia

Sophia, Sophia  
Sophia, Sophia

Sophia, Sophia
