

April Fool

Matt Monro

I'm a fool for April
Yes, I'm an April fool
Not for just one day a year
But every time she's near

I'm controlled by April
I'm called the April fool
Love her more than I can say
Her every wish I'll obey

I love her more than a bee could love a flower
I feel like I'm caught in an April shower

I'm content if April will let me stay her fool
She'll be glad that she has found an April fool the whole year
round
I'm a fool for April
Yes, I'm an April fool

I love her more than a bee could love a flower
I feel like I'm caught in an April shower

I'm content if April will let me stay her fool
She'll be glad that she has found an April fool the whole year
round
I'm a fool for April
Yes, I'm an April fool
Yes, I'm an April fool
I'm an April fool
