

Around The World

Matt Monro

Around the world
I searched for you
I travelled on When hope was gone
To keep a rendez-vous
I knew somewhere,
Sometime Somehow
You'd look at me
And I would see
The smile You're smiling now
It might have been in County Down Or in New York
Or gay Paris
Or even London Town
No more Will
I go all around the world
For I have found My world In you
It might have been in County Down
Or in New York
In gay Paris
Or even London Town
No more Will
I go all around the world
For I have found My world In you
I've found My world In you
