

There's A Kind Of Hush (All Over The World)

Matt Monro

There's a kind of hush all over the world, tonight
All over the world, you can hear the sounds,
of lovers in love
Just the two of us, and nobody else, in sight
There's nobody else, and I'm feeling good,
just holding you tight
So listen very carefully
Come closer now and you will see what I mean
Never isn't a dream
The only sound that you will hear
Is when I whisper in your ear
I love you forever and ever
There's a kind of hush, all over the world, tonight
All over the world, you can hear the sounds,
of lovers in love, of lovers in love, of lovers in love
