Even As the World began
the stars they sang and all the angels
shouted for joy
shouted for joy
And looking back through history
Your people they have always had
A song they must sing
A song they must sing

We Are The People of God We'll Sing Your Song Here on the earth

All over the world Your song will resound All over the world Your praises ring out We're living to see You're name and renown All over the world

Young and old, near and far there's a place for every heart to join in your song join in your song
And every nation tribe and tongue come together join as one give glory to God
glory to God

Great is Your name
and great will be your song
Great is Your name
and great will be your song
We lift up our hands and pray
We lift up our hands and pray
for holy is Your name

Your name, Your renown, are the desire of our souls Your fame, Your glory, Your song, for you alone are God, You alone.
