

Magnificent

Matt Redman

You show Your majesty
In every star that shines
And every time we breathe
Your glory, God, revealed
From distant galaxies
To here beneath our skin

You are higher than we ever could imagine
And closer than our eyes could ever see
You are...

Magnificent, You alone are holy
No one else as glorious as You
Magnificent, Jesus You are worthy
Who can shine as brightly as You do?
Magnificent
You're so magnificent

You're lighting up our lives
Illuminate our hearts
With everything You are

You are higher than we ever could imagine
And closer than our eyes could ever see
You are...

Magnificent, You alone are holy
No one else as glorious as You
Magnificent, Jesus You are worthy
Who can shine as brightly as You do?
Magnificent
You're so magnificent
Magnificent
You're so magnificent

You are higher than we ever could imagine
And closer than our eyes could ever see
We are pouring out our hearts here in Your presence

Magnificent, You alone are holy
No one else as glorious as You
Magnificent, Jesus You are worthy
Who can shine as brightly as You do?
Magnificent
You're so magnificent
Magnificent
You're so magnificent
