

# Nothing Is Too Much

**Matt Redman**

Nothing is too much to ask  
Now that I have said I'm Yours, I'm Yours  
Jesus take the whole of me  
Unreservedly  
Jesus take me deeper now  
That I might go further too

I've received so much from You  
Undeservedly

I was made to love You Lord  
I was saved to worship You  
You will be the focus of all eternity
