

Shine

Matt Redman

Lord, we have seen the rising sun, awakening the early dawn
And we're rising up to give You praise
Lord, we have seen the stars and moon, see how they shine
They shine for You and You're calling us to do the same

So we rise up with a song
And we rise up with a cry
And we're giving You our lives

We will shine like stars in the universe
Holding out Your truth in the darkest place
We'll be living for Your glory
Jesus we'll be living for Your glory

Lord, we have seen the rising sun, awakening the early dawn
And we're rising up to give You praise
Lord, we have seen the stars and moon, see how they shine
They shine for You and You're calling us to do the same

So we rise up with a song
And we rise up with a cry
And we're giving You our lives

We will shine like stars in the universe
Holding out Your truth in the darkest place
We'll be living for Your glory
Jesus we'll be living for Your glory, oh

We will burn so bright with Your praise O God
And declare Your light to this broken world
We'll be living for Your glory
Jesus we'll be living for Your glory

Like the sun so radiantly, sending light for all to see
Let Your holy church arise
Exploding into life like a Supernova's light
Set Your holy church on fire

Like the sun so radiantly, sending light for all to see
Let Your holy church arise
Exploding into life like a Supernova's light
Set Your holy church on fire, we will shine, yeah, we will shine

We will shine like stars in the universe
Holding out Your truth in the darkest place
We'll be living for Your glory
All our days Jesus we'll be living for Your glory, oh

We will burn so bright with Your praise O God
And declare Your light to this broken world
We'll be living for Your glory
Jesus we'll be living for Your glory, oh

So we rise up with a song
And we rise up with a cry
And we're giving You our lives
Jesus we'll shine
