

The Happy Song

Matt Redman

I could sing unending songs of how you saved my soul
I could dance a thousand miles because of your
great love
My heart is bursting Lord
To tell of all you've done
Of how you changed my life and wiped away my past
I want to shout it out
From every rooftop sing
For now I know that God is for me not against me
Everybody's singing now, cause we're so happy
Everybody's dancing now, cause we're so happy
If only I could see your face
See you smiling over us
And unseen angels celebrate
The joy is in this place
