

I Still Believe In You

Matthew Ryan

I can't sleep
I can't wake
My life support, my dear
Has gone away

I work so hard
I break at noon
I watch the same plot unfold there
But never soon

And I still believe in you

I want so much
That never comes
The traffic moves so slowly
Feeling numb

And I still believe in you

Late last night
From on the roof
I smoked a cigarette
I looked for proof

And in the quiet
I watched a plane
Hum and float through the snow
While I said your name

And I still believed in you

I take a shower
I brush my teeth
I feel the rug being pulled
From under me

And I still believe in you
