

Say It All

Matty Mullins

Seems like everyones
got their opinions on display
We try to say the right thing,
but our pride gets in the way

There's nothing we could say
that will ever resonate like a life of faith
Lets eliminate the noise and
let our actions speak louder than our voice

Without a word love will light the way
We speak louder when we show grace
With our lives we can change the world
Without a word, without a word
We say it all, we say it all

All our brothers and sisters
Longing to be heard
When we start to listen
We shine light without a word

There's nothing we could say
that will ever resonate like a life of faith
Yeah, let's eliminate the noise and
let our actions speak louder than our voice

Oh, without a word love will light the way
We speak louder when we show grace
With our lives we can change the world
Without a word, without a word
We say it all, we say it all

Teach us how to listen
Teach us to be still
To love without our voices
To live unto your will

Hey!
Woah-oh-oh-oh-oh
Woah-oh-oh-oh-oh
Woah-oh-oh-oh-oh
Woah-oh-oh-oh-oh

Without a word love will light the way
We speak louder when we show grace
With our lives we can change the world
Without a word, without a word
We say it all, we say it all
