

Until I Need You

Matty Mullins

Break me down so You can build me up
Pour me out so You can fill this cup
This life I've made, God, it's not enough
Break me down so You can build me up

No more chasing empty things
I've tasted what this world can bring
All of You is all I need
No more chasing empty things

Take it all away
Take it all away
Until I need You
And nothing else, nothing else
Until I need You
And nothing else, nothing else
No other name can satisfy the heart of me
And fill the deepest part of me
So take it all away
Until I need You

On Christ the solid rock I stand
I'm letting go of all my plans
All other ground is sinking sand
On Christ the solid rock I stand

This is the prayer I pray
Take it all away
Until I need You
And nothing else, nothing else
Until I need You
And nothing else, nothing else
No other name can satisfy the heart of me
And fill the deepest part of me
So take it all away
Until I need You

There's a kingdom come that waits for me
So I lay my treasures at Your feet
Let nothing ever come between
The kingdom come that waits for me

Take it all away
Take it all away
Take it all away
Until I need You
And nothing else, nothing else
Until I need You
And nothing else, nothing else
No other name can satisfy the heart of me
And fill the deepest part of me
So take it all away
Until I need You
And nothing else, nothing else
Until I need You
And nothing else, nothing else
Until I need You
