

# No Time for Crying

Mavis Staples

No time crying  
No time for tears  
Got no time for crying  
No time for tears

We've got work to do  
We've got work to do  
We've got work to do  
We've got work to do

People are dying  
Bullets are flying  
No time for tears  
No time for tears

We've got work to do  
We've got work to do  
We've got work to do  
We've got work to do

(Oh, help me)

We've got no time for crying  
We've got work to do  
We've got no time for tears  
We've got work to do  
People are dying  
Bullets are flying

We've got work to do  
So much work to do  
We've got work to do  
We've got work to do

Are you with me?  
You with me?  
Keep coming  
There's work to do

We've got no time for crying  
We've got work to do  
We've got no time for tears  
We've got work to do  
People are dying  
Bullets are flying

We've got work to do  
Ooh, work to do  
We've got work to do  
Yeah, work to do

Work to do  
We've got work to do  
Work to do  
Help me help  
Work to do  
Are you with me?

You with me?  
Keep coming  
There's work to do
