

# Try Harder

Mavis Staples

There's evil in the world  
And there's evil in me  
There's evil in the world  
And there's evil in me

Don't do me no good to pretend  
I'm as good as I can be

Don't do me no good to pretend  
Don't do me no good to give in  
Don't do me no good to pretend  
I'm as good as I can be

Gotta try harder  
Gonna try harder  
Gotta try harder  
Gonna try harder

Don't do me no good to pretend  
Don't do me no good to give in  
Don't do me no good to pretend  
I'm as good as I can be

I gotta live in forgiveness  
We gotta give each other hope  
Cause there's evil in the world  
And there's evil in me

Don't do me no good to pretend  
I'm as good as I can be

Don't do me no good to pretend  
Don't do me no good to give in  
Don't do me no good to pretend  
I'm as good as I can be

Gonna try harder  
Try harder  
I'm gonna try harder  
Gonna try harder  
I'm gonna try harder  
Try harder  
I'm gonna try harder  
I gotta try harder

Don't do me no good to pretend  
Don't do me no good to give in  
Don't do me no good to pretend  
I'm as good as I can be

Yeah  
Ah, yeah
