

# We Go High

Mavis Staples

We go high  
When they go low  
I know they don't know  
What they're doing  
When they tell their lies  
Spread around rumors  
I know they're still human  
And they need my love

Gonna stand side by side  
Our hearts in command  
Love as our guide

We go high  
When they go low  
I know they don't know  
What they're doing

Oh, I have a mind  
To bury them whole  
When they go low  
To tell you the truth  
I wait for the time  
When we are all brothers  
Holding each other  
Heaven on earth

Gonna stand side by side  
Our hearts in command  
Love as our guide

We go high  
When they go low  
I know they don't know  
What they're doing

We go high  
When they go low  
I know they don't know  
What they're doing  
They tell their lies  
Spread around rumors  
I know they're still human  
And they need my love

Gonna stand side by side  
Our hearts in command  
Love as our guide

We go high  
When they go low  
I know they don't know  
What they're doing
