

# Who Told You That

Mavis Staples

When I  
Carry my load  
Or when I cry  
I don't feel it any more  
It's like a rainy day  
That never goes away  
Am I alone  
Am I the only one

Now hold back  
My, my, don't explode  
We don't wanna rock the boat  
Who told you that? (Who?)

Oh, they lie  
And they show no shame

Now hold back  
My, my, don't explode  
We don't wanna rock the boat  
Who told you that? (Who?)  
Who told you that? (Who?)

(Who?)  
Who? (Who?)  
Who? (Who?)  
(Who?)

(Who) told you that?  
Who told you that?

Stop acting up  
You know it won't change a thing  
That's how it is and how it's always been

Who told you that? (Who?)  
Who told you that? (Who?)  
Who told you that?  
(Who?)
