

Anything You Want

Maxi Priest

Anything you want, I'll
Give it to ya all night long
If lovin's what you need, girl
I can turn you on and on

I can show you what love is
Take you where you never been (before)
I can give you good lovin'
All the love that you're missing (for sure)

Come mek mi show you how di ting go
All you gotta do is just mek up your mind
Everyting yuh dream bout
I can mek ya taste it, babe in real life

Love is a drug you're chasing
No other high can replace it
Girl ah dis you should know

I can show you what love is
Take you where you never been (before)
I can give you good lovin'
All the love that you're missing (for sure)

I can blow your mind, girl
Give her di Dquil, she sleep right thru di night
Put it down tonight girl
Knock her out good until the sun start shine
Super soaker love girl
Give her di Dquil, she sleep right thru di night

So let me love you, girl (let me love you, girl)

Oh I, I got something that you can't deny
And you just can't fake it
Some good lovin', my lovin'
And you know
'Cause there's a rule in my book and it says
That you just can't break it
But let's break it

Anything you want, I'll
Give it to ya all night long
If lovin's what you need, babe
I can turn you on and on and

I can show you what love is
Take you where you never been (before)
I can give you good lovin'
All the love that you're missing (for sure)

Late-night lovin' mek she feel nice
Take ya body, let me explore you
Late-night lovin' mek her lip bite
All the love that you're missing

I can show you what love is

Take you where you never been (before)
I can give you good lovin'
All the love that you're missing (for sure)
