

# Free Falling

Maxi Priest

I can't believe that I fell for ya  
You catch mi with games  
How I should'a been smarter than that  
You draw me with pretty lines  
The way how you started to whine  
I fell victim to your trap

I'm free falling  
I shoulda' know a likkle better than that  
I'm free falling  
Man should'a wiser than that

I can't believe that I fell for ya  
You catch mi with games  
How I should'a been smarter than that  
You playing ya little dice  
Ya stocks is rolling on high  
Girl, you moving a mile a minute

I'm free falling  
I shoulda' know a likkle better than that  
I'm free falling  
(Should've known better, should've known better)  
Man should'a wiser than that  
(Should've known better, should've known better  
Should've known better)

Girl, ya see me under ya spell  
Under ya touch and ya kiss, I can tell  
Like I don't need nobody else, no  
Ya played ya role so well

Like you was starring a film  
Oh, how I fell for you

I can't believe that I fell for you  
You catch mi with games  
How I should'a been smarter than that  
You draw me with pretty lines  
The way how you started to whine  
I fell victim to your trap

I'm free falling  
I shoulda' know a likkle better than that  
I'm free falling  
(Should've known better, should've known better)  
Man should'a wiser than that  
(Should've known better, should've known better  
Should've known better)

Free Falling  
(Should've known better, should've known better  
Should've known better  
Should've known better, should've known better  
Should've known better)  
Free Falling
