

Golden Lady

Maxi Priest

Looking in your eyes
Kind of heaven eyes
Closing both my eyes
Waiting for surprise

To see the heaven in your eyes is not so far
And I'm not afraid to try and go it
To know the love and the beauty never known before
I'll leave it up to you to show it

And golden lady, golden lady
I'd like to go there
And golden lady, golden lady
I'd like to go there
Take me right away

Looking at your hands
Hands can understand
Waiting for the chance ooh
Oh just to hold your hand

A touch of rain and sunshine made the flowers grow
Oh into a lovely smile that's bloomin'
And it's so clear to me that you're a dream come true
And there's no way that I'll be losing you oh

And golden lady, golden lady
I'd like to go there
And golden lady, golden lady
I'd like to go there
Take me right away

Oh baby baby baby

A touch of rain and sunshine made the flowers grow
Oh into a lovely smile that's blooming
And it's so clear to me that you're a dream come true
There's no way that I'll be losing you oh

And golden lady, golden lady
I'd like to go there
And golden lady, golden lady
I'd like to go there
Take me right away

Oh take me right away
Take me right away
Just take me right away
Oh I wanna go there
I wanna go there
