

# I'm Alright

Maxi Priest

I don't care what they do to me, I'm alright  
And I don't care what they say about me, I'll be fine  
'Cause the music makes me feel like dancing  
And my feet keeps moving to this song  
And through the speakers I can hear it blasting  
And with the words I got to sing along, yeah

So many emotions moving my soul, oh  
So captivating, taking control (do you feel it?)  
Yeah (do you feel?)

Set me free  
To the music (the music)  
To the music (the music)  
My heart, it beats  
To the music (the music)  
To the music (the music) yeah

I don't care what they do to me, I'm alright (I'm alright, I'm alright)  
And I don't care what they say about me, I'll be fine (ooh, I'll be fine, I'll be fine)  
Oh it don't matter 'bout the troubles I'm facing (ooh)  
All I know (ooh) is that (ooh) I feel the beat  
Yes the DJ got this whole place blazing (ooh)  
Everybody's (ooh) taking (ooh) to the streets (ooh) yeah
