

If I Was Your Man

Maxi Priest

Now, I don't drive a fancy car
I'm not to get a superstar
I don't pretend with who I am
Just a man, I'm just a man
My heart is true and open wide
But just for you to step inside
My invitation's VIP
If only you would let it be

(If I was your man)
I would do the things that you like
(If I was your man)
I'd call around the clock to make sure you alright
(If I was your man)
I'd give you all you need and more, and more
(If I was your man)
Man (man)
Man (man)
Man

Baby, give yourself a chance to know me
I've got the loving and romance to make you want me
This ain't no mistake, babe, I'm coming harder
There ain't no easing up, I'm touching you like fire, oh-oh

(If I was your man)
I would do the things that you like
(If I was your man)
I'd call around the clock to make sure you alright
(If I was your man)
I'd give you all you need and more, and more
(If I was your man)

Oh (man)
Baby (man)
Baby

You know where it's at, babe
There's no holding back, baby
[?]
This ain't no drunken proposal

(You know where it's at, babe
There's no holding back, baby)
This ain't no bluffin'
No heart in the oven

Let me in
Ooh, let me in baby

(If I was your man)
I would do the things that you like
(If I was your man)
I'd call around the clock to make sure you alright
(If I was your man)
I'd give you all you need and more, and more
(If I was your man)

If only you would let me in, baby

(If I was your man)

I would do the things that you like

(If I was your man)

I'd call around the clock to make sure you're alright

(If I was your man)

To give you more, and more, and more

(If I was your man) and more and more and more, oh

(If I was your man) more and more and more

If only you would let me in, uh

I would be your king, yeah, ah
