

# My Favourite Things

Maxi Priest

Building a snowman  
Laughing and playing  
Shopping and choosing  
Gifts for the giving  
Smiling and singing old carol songs  
These are a few of my favourite things

Stardust is falling down from the sky  
Dreaming of magic all through the night  
I hear all the laughter  
I love what it brings  
These are a few of my favourite things

When it's midnight, when it's midnight  
And the clock strikes  
And the clock strikes  
We count down from ten  
We simply forget  
Leave our worries behind  
And what will the new year bring  
Bright lights and colours  
Moonlight and dancing

Music is playing, love and romancing  
Sharing and caring, family and friends  
These are a few of my favourite things

Sit by the fire, candles for memories  
Shelters for homeless  
Warmth from the coldness  
Together we pray  
As the church bells they ring  
These are a few of my favourite things

When the clock strikes  
When the clock strikes  
And it's midnight, midnight  
We count down from ten  
We simply forget  
Leave our worries behind  
And what will the new year bring

These are a few of my favourite things
