

Well in smoking sensimilla
Gotta give thanks and praise into the Lord God Jehovah

Get it from the cool herb vendor
Rasta know say jah jah ade sender de sender

Get it from the cool herb vendor
Rasta know say jah jah ade sender de sender

Over the hills and down a de galley
Sen sen sen sensimilla
Sey rasta smoking a whole heap of sensi
Sen sen sen sensimilla

Over the hills and down a de galley
Sen sen sen sensimilla
Sey rasta smoking a whole heap of sensi
Sen sen sen sensimilla

Cause dis a sensimilla time
Sen sen sen sensimilla
Cause dis a sensimilla time
Sen sen sen sensimilla

Cause whether in a rizla
Or a whether in a chalwah
Say rasta smoke it all
Say natty smoke it all
Say we tired to lick it in a bush
We wanna smoke it out in the open
Say we tired to lick it in a yard
We wanna smoke a draw out side

Cause sensimilla time
Sen sen sen sensimilla
Cause we say sensimilla for me
Sen sen sen sensimilla

Say some a short coke
Some a smoke de hash
Some a push needle jah jah
Know them have to crash

Say some a short coke

Some a smoke de hash
Some a push needle jah jah
Know them have to crash

Sen sen sen sensimilla
Sensimilla time
Sen sen sen sensimilla
Sensimilla for me

Say get it from the cool herb vendor
Rasta know say jah jah a de sender de sender

Say get it from the cool herb vendor
Rasta know say jah jah a de sender de sender

Over the hills and down a de galley
Sen sen sen sensimilla
Say Rasta smoking a whole heap of sensi

Over the hills and down a de galley
Sen sen sen sensimilla
Say Rasta smoking a whole heap of sensi

Cause dis a sensimilla time
Sen sen sen sensimilla
Cause dis a sensimilla for me
Sen sen sen sensimilla
Alright ooh yeah

Some a short coke
Some a smoke de hash
Some a push needle jah jah
Know de have to crah

Some a short coke
Some a smoke de hash
Some a push needle jah jah
Know de have to crah

Get it from the cool herb vendor
Rasta know sey jah jah a de sender de sender

Get it from the cool herb vendor
Rasta know sey jah jah a de sender de sender

Sensimilla time, Sensimilla for me
