

# Space In My Heart

Maxi Priest

All I really wanna do is get you babe  
and hold you tight, never let you go  
I promise you to close my eyes and wait a while and still find  
you there  
Caring about me instead of just wasting my time  
I gave you my heart, oh baby was that not enough

There's a space in this heart babe  
Waiting for you yes there is baby  
When you find where you're going  
I'll be there too yes I will baby

I guess I never told you that I love you babe  
But each moment was wrong  
And I would die, if I never get the chance to show you how strong  
I gave you my heart, yes I did babe was that not enough for you  
baby

Oh yeah  
I'm gonna find a way, I love you babe, I love you babe  
To make you mine
