

Sweat A Go Buss

Maxi Priest

All I know
I'm not leaving here without you not tonight
I'll be damned if I do
How can I explain to you
Feelings that I'm going through imaging lady me and you

Sweat a go buss tonight yeah
[?] no get in the way
Sweat a go buss tonight yeah
I'm gonna take you on a midnight flight
Take you on a lockdown tight

All I know
I'm not leaving here without you not tonight
I'll be damned if I do
You let me build my hopes up high
See that look giving me the eye

Now don't be playing baby shy ooh baby

Sweat a go buss tonight yeah
[?] no get in the way
Sweat a go buss tonight yeah
I'm gonna take you on a midnight flight
Take you on a lockdown tight

All I know
I'm not leaving here without you not tonight
I'll be damned if I do oh yeah oh yeah
All I know I'm not leaving here without you not tonight
I'll be damned if I do
You can tell your friends that he can go, escort you chauffeur to the door
He's acting like his Mr. so and so

Sweat a go buss tonight yeah
[?] no get in the way
Sweat a go buss tonight yeah

Take you on a lockdown tight

All I know
